7. The front door to Wimpole Therapeutics will be kept locked and entry is via a buzzer system.
8. Clients must wait outside the clinic until you contact them by phone call or text asking them to ring the doorbell. On entering the clinic, they must go directly to your practice room.
9. Face masks or coverings must be worn by you and your clients in all areas of the clinic except within the treatment room you are using.
10. You must wash your hands or use hand sanitiser on arrival and you must ensure that your clients do so too.
